ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sioux Falls Housing and Redevelopment Commission (SFHRC) has updated the “Annual Plan” section on its 2000-2005 Agency Plan, for Federal Fiscal Year (FFY) 2002. This update was completed in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and ensuing United States Department of Housing and Urban Development (HUD) regulations and requirements.

Through this updated Annual Plan SFHRC is advising HUD, its residents, program participants and the community of any changes to their strategies for addressing and serving the needs of the low-income and very low-income families in the city of Sioux Falls, SD.

SFHRC has not revised their mission statement, corresponding goals or objectives as stated in their “5-year Plan” of their original Agency Plan.

SFHRC continues to administer the following programs that serve low and very low-income households: Public Housing, Section 8

tenant-based rental assistance programs, Section 8 Moderate Rehabilitation, Shelter Plus Care tenant-based rental assistance program, HOME tenant-based rental assistance program, Family Self-Sufficiency Program and a Family Investment Center. In addition, SFHRC serves as Contract Administrator for nine (9) Section 8 multi-family projects for HUD.

The plans, statements, budget summary, policies, etc, set forth in the Annual Plan will lead towards accomplishment of SFHRC's goals and objectives. Taken in their entirety, they outline a comprehensive approach towards SFHRC's goals and objectives and are consistent with the City of Sioux Falls' Consolidated Plan.

SFHRC has updated their Section 8 Administrative Plan and Public Housing Admission and Continued Occupancy Plan (ACOP) to comply with changes in federal statutes and regulations.

SFHRC has not changed the definition of "significant deviation" and "significant amendment" as defined in their Agency Plan.

The residents of SFHRC's Public Housing units have been uninterested in forming a Resident Council or Board. SFHRC believes the reason for this lack of interest is because SFHRC's Public Housing units are single family houses literally scattered all through out Sioux Falls. They are grouped together for reporting purposes only. In addition, 8 of the 25 (32%) of the units are rented to immigrants or refugees with very limited English skills. It is very difficult for them to participate in group meetings due to the language barrier and the lack of qualified interpreters.

SFHRC believes that the Public Housing residents are satisfied with their units and the way the program is administered and do not see a need to form a Council or Board to address problems/issues. The Public Housing residents are encouraged to contact management to discuss any problems or issues as they arise.

SFHRC published and made available copies of the FFY 2002 Annual Plan at SFHRC's office, Sioux Falls Department of Community

Development and the Sioux Falls Public Library-Main Branch. This provides citizens of Sioux Falls an opportunity to review this revised Plan and submit comments on its contents. SFHRC will invite the Public Housing residents and randomly selected Section 8 participants to a meeting to comment on the Revised Agency Plan. In addition, SFHRC will hold a Public Hearing to afford interested persons the opportunity to express their views and concerns.

This will provide notice that SFHRC has made a significant amendment to their Capitol Fund Plan with the addition of non-emergency work items to the 5-year Capitol Improvement Plan, which is included as an attachment to this Plan.

STATEMENT OF PROGRESS IN MEETING 5-YEAR PLAN MISSION AND GOALS

The Sioux Falls Housing & Redevelopment Commission has improved the quality of life for the Sioux Falls community, specifically its lower income residents by administering rental assistance programs, promoting the development of affordable, decent and safe housing opportunities, and encouraging economic self-sufficiency in a non-discriminatory manner.

SFHRC has taken steps to meet the goals and objectives stated in their 5-year plan:

GOAL ONE: Support and explore the development of public/private partnerships in the provision of affordable housing for lower income households as the authority on the housing situation and needs in the community.

Objective: SFHRC will provide expertise and technical assistance as requested.

Achievements: SFHRC has provided American Indian Services with technical assistance in development of their HUD funded affordable housing project.

One SFHRC Commissioner and staff person serve on the Board of Directors of the Sioux Empire Housing Partnership, which develops affordable housing in Sioux Falls and the greater Sioux Empire.

GOAL TWO: Develop positive relationships with the City and State entities to strive towards provision of more affordable housing.

Achievements: SFHRC staff has participated in “Continuum of Care” meetings held in the state.

SFHRC is a member of the Homeless Coalition and is a member of a task force looking into feasibility of a Single Room Occupancy project for homeless, single persons.

GOAL THREE: Expand the provision of housing assistance for existing housing units when appropriate and opportunities arise.

Objective: SFHRC will apply for additional tenant-based rental assistance funding as it becomes available.

Achievement: SFHRC applied for and received 42 HUD Section 8 Housing Choice Vouchers in fiscal year 2000.

GOAL FOUR: Provide ways to assist low-income households with attaining self-sufficiency.

Objective: SFHRC will provide or attract supportive services to improve recipient's employability.

Achievement: SFHRC's FSS program assisted 140 families during FY'00. 21 families became totally self-sufficient; 7 moved into homeownership.

GOAL FIVE: Provide input at the local, state and national levels regarding programs and changes affecting the provision of affordable housing.

Objective: SFHRC will permit staff involvement in local, state and national professional organizations.

SFHRC staff serve on the Board of Directors, Executive Committee and Program Committee of Sioux Falls Multi-Cultural Center.

Resident Membership of the PHA Governing Board

The Sioux Falls Housing & Redevelopment Commission (SFHRC) currently does not have a resident serving on its Board of Commissioners as SFHRC satisfies the conditions of a “small PHA” exception as defined in 24 Code of Federal Regulations 964.425. SFHRC satisfies all the conditions listed at this cite: 1) the number of SFHRC’s public housing units (25) is under the threshold of units (300) as stated in this Rule; 2) SFHRC was unable to provide notice to the Resident Council/Advisory Board of the opportunity for residents to serve on SFHRC’s Board of Commissioners, as no such Council/Board exists. SFHRC has made several attempts to assist the Public Housing residents in forming a Resident Council/Advisory Board. The last invitation to form a Resident Council/Advisory Board was sent to all public housing residents on February 10, 2000. (SFHRC had contacted all Public Housing residents 7 times previous to the last invitation). Not one Public Housing resident responded to this invitation. On March 13, 2000 SFHRC notified the United States Department of Housing and Urban Development’s Rocky Mountain Denver office of their unsuccessful attempts to form a Resident Council/Advisory Board. In this letter SFHRC indicated they were open to any suggestions HUD had regarding additional actions SFHRC could take to form a Resident Council/Advisory Board. SFHRC received no response from HUD. On June 19, 2000 SFHRC invited 15 participants of the Section 8 tenant-based rental assistance programs to meetings to comment on SFHRC’s Agency Plan. Only one participant responded to this invitation. She informed SFHRC that she was too busy caring for a disabled child to attend any type of meeting. No program participants attended either of the Public Hearings SFHRC held on its Agency Plan. 3) In the near future SFHRC will issue another invitation to all Public Housing residents to form a Resident Council/Advisory Board. If there is no response SFHRC will follow the procedures outlined in Notice PIH 2000-36.

South Dakota State law (SDCL11-11-1/15) provides that each Housing and Redevelopment Commission be comprised of five (5) Commissioners. The Mayor of Sioux Falls, Gary Hanson, with the approval of the City Council, appoints Commissioners to serve on the city of Sioux Falls’ Housing and Redevelopment Commission. No vacancy has occurred since the “Public Housing Agency Organization; Required Resident Membership on Board of Directors or Similar Governing Body; Final Rule” went into effect. The last vacancy on SFHRC’s Board of Commissioners was September 1, 1999. The next anticipated vacancy on SFHRC’s Board of Commissioners is September 2006.

SFHRC will remind the Mayor of Sioux Falls of the requirement of a Resident Board member at the next vacancy on the Board of Commissioners.

SFHRC will install peepholes in each exterior door of the Public Housing units that do not lead into an attached garage. This will allow the Public Housing resident to verify who is at their door before opening it. In addition, SFHRC will install motion detector lights on each property. This will alert the Public Housing resident to anyone that is on the property and allow them to see who it is without opening the door and exposing themselves or their families to possible danger. SFHRC anticipates that SFHRC maintenance staff will complete this work. SFHRC will also host educational workshops with presentations by the Sioux Falls Police Department. Topics will include measures the Public Housing residents can take to keep their families safe in their homes and “on-the- street”; steps they should take if they, or a family member is a victim of crime; drug awareness training, especially regarding methamphetamine, which is becoming a huge problem in Sioux Falls; sexual predators; date rape, etc. 32% of the Public Housing households are recent immigrants and/or refugees and have very limited English skills. In order for this to be effective, the Sioux Falls Police Department has suggested that SFHRC hire interpreters for the families with limited English skills. They also suggested that we translate their written material used in their presentation into the 5 most common languages spoken in Sioux Falls. SFHRC plans to employ a pre/post survey instrument of the Public Housing residents to determine if there was an increase in the Public Housing residents feeling of safety/security in their unit.
